*****Special Assistant Supervisors Meeting 10.15am - 10.45am*****

Meet Bob Parker & the President's Club

Advisory Board Training with David Urch

Bsc MA VetMB MRCVS

David Urch completed a Bachelor of Science with Honours in animal physiology and nutrition in 1975, followed by a Master of Arts in 1977. David completed his veterinary degree in 1980 qualifying as a member of The Royal College of Veterinary Surgeons. He initially worked at a practice in Somerset for two years. This covered most animals; dogs, cats, and children's pets, and most types of horses, ponies and donkeys. It was there he became interested in complementary medicine and the holistic approach. He has been using Aloe Vera preparations in his practice since 1996.

David has also produced a line of "Nature's Gift" literature which includes a book, DVD & leaflets so you can share this aspect of the business with your customers and prospects.

This is the last opportunity to see David in Ireland in 2010, miss it, miss out!

Marion Fitzgerald

President's Club Member & Sapphire Manager

Marion is one of Forever Ireland's Top Distributors with over 17 years of experience in our business. Marion was earning a good income as an Area Manager for a household brand in the catering sector when her priorities changed when she and her husband Eddie started a family and had 2 children. Marion soon realised that she was not willing to sacrifice missing the best years of their lives for a career and as working full-time was not an option decided to look for something part-time that she could work around her children. With the help of her sponsor, Pauline Keegan, Marion decided to give Forever a good try and within six months her monthly bonus cheques went from €200 to €1,500 and they had also qualified for Car Plan and by the end of their first year, had qualified for a 10-day all expenses paid trip to San Antonio in USA. Marion says "From there it has been onwards and upwards for me and my family. Throughout my time in Forever, I have travelled all over the world with the Forever incentives including World Rally, European Rally and International Super Rally, I have been able to educate my children without taking out large loans and I even purchased investment properties. Forever has given me opportunities I could only dream about."
